A Joyful Journey and a Tattered Faith Vonda Hecht 2018-01-17 Have you ever felt like you were living the American dream? I did. Have you ever felt as if the rug had been snatched right out from under you? I did, too. Did you feel as if God had abandoned you? Me, too. Did you find yourself questioning if God were even real? Ashamedly, I wondered that, too. Raymond and I were married at a young age. We had such big dreams and high expectations. I held on to the "white-picket-fence" dream while he held on to the "being successful" dream. We felt unstoppable. Of course, neither of us really had a clue how it was all going to take place; we just believed that it would. And for a while, it was as if we were living the American dream. We had two beautiful little girls, the best dog anyone could ask for, and a sweet little home. Raymond had a job that paid fairly well and I was a homemaker. Everything seemed, well...pretty close to perfect! While everything seemed to appear perfect on the outside, it was the inside that was suffering greatly. Somewhere along the way, we had forgotten God. We had professed to be Christians, but, truthfully, it was only in word. We had left Him out of our thoughts and our plans. And then change came. Raymond had gotten injured at work. Life as we knew it was about to end. This would be where our faith, if we even had any, was going to be tested. One painful afternoon, I found myself crumbled on the floor in our bedroom. How had we gotten to this place? How had all of our dreams and expectations come to this? We were supposed to be different. We were supposed to be unique. And we were certainly supposed to beat the odds! We started asking and even blaming God. "Lord, why did You allow this happen? What did we do to deserve this?" We had placed Him in the 'hot-seat'. That was the beginning of A Joyful Journey and a Tattered Faith. We had lived a life of relying solely on ourselves. We didn't know what it was like to depend on God; to rely on Him to get us through any situation. Truthfully, we didn't know Him. We just knew of Him. The Lord has taken us separately, as well as together, by the hand and walked us through some very trying times. Times to where we wondered if He really did exist. Even times of wondering, that if He was indeed real, did He care. This journey has been worth every step. God is a personal God. He loves us beyond our understanding. He has a plan for us and it is a good one! He wants to give us a hope and a future. He wants to prosper us and not harm us. More than anything, He wants us to live with Him forever.

A Glimmer of Hope Dortha E. Thomas 2015-07-24 Healing is a birthright to all humanity. Our intricate design was meticulously created to operate in a way, in which our minds and bodies have the ability to heal itself. However, when we began to worry and allow our mind to stress, we create an hostile environment that makes it difficult for the body to achieve wholeness. "Disease" and illness happens when the mind, body and spirit reaches an unbalanced state. To restore ourselves to our natural order, we must begin by believing and operating in a way that healing is possible; through our own power of being optimistic and spreading positive energy to all things we come in contact with. "Even a tree has more hope. If it is cut down, it will sprout again and grow new branches." Job 14:7 NLT

**Effective Apology** John Kador 2009-05-11 There's nothing easy about apology. The news is filled with examples of leaders apologizing, needing to apologize, or failing miserably at the attempt. And certainly we all have occasion to apologize ourselves—maybe more often than we realize. But we don't need more apologies, says John Kador—we need better ones. Too many people just go through the motions, missing out on the power of apology to restore strained relationships, create possibilities for growth, and generate better outcomes for all. Effective Apology challenges you to think about the fundamental value and importance of apology as it delivers detailed advice for making an apology that truly heals and renews. Kador explores the Five Rs of apology: Recognize the wrong and the person harmed; accept moral Responsibility for your actions; express Remorse; provide meaningful Restitution; and offer assurance that the offense will not be Repeated. Making apology work in the real world—when and how to apologize, in what medium, and how to make it stick—is made clear through over seventy examples of good and bad apologies drawn from the news, popular culture, and the experiences of Kador, his clients, and his friends. The willingness to apologize signals strength, character, and integrity. Effective leadership is impossible without effective apology. John Kador shows how to craft and deliver a confident apology that will defuse resentment, reduce litigation, create goodwill, and transform a relationship ruptured by mistrust and disappointment into something stronger and more durable than it ever was before.

[The Beast and the Bethany](#) Jack Meggitt-Phillips 2020-12-08 Lemony Snicket meets Roald Dahl in this riotously funny, deliciously macabre, and highly illustrated tale of a hungry beast, a vain immortal man, and a not-so-charming little girl who doesn't know she's about to be eaten. Beauty comes at a price. And no one knows that better than Ebenezer Tweezer, who has stayed beautiful for 511 years. How, you may wonder? Ebenezer simply has to feed the beast in the attic of his mansion. In return for meals of performing monkeys, statues of Winston Churchill, and the occasional cactus, Ebenezer gets potions that keep him young and beautiful, as well as other presents. But the beast grows ever greedier with each meal, and one day he announces that he'd like to eat a nice, juicy child next. Ebenezer has never done anything quite this terrible to hold onto his wonderful life. Still, he finds the absolutely snottiest, naughtiest, and most frankly unpleasant child he can and prepares to feed her to the beast. The child, Bethany, may just be more than Ebenezer bargained for. She's certainly a really rather rude houseguest, but Ebenezer still finds himself wishing she didn't have to be gobbled up after all. Could it be Bethany is less meal-worthy and more...friend-worthy?
