Fathers, Mothers, Sisters, Brothers Mary Ann

Hoberman 2001-09-01 What is a family? Who is a family? Either a lot or a few is a family; But

whether there's ten or there's two in your family,

All of your family plus you is a family! There is

something for everyone in this celebration of

families - poems about families of all sizes and

configurations, about brothers and sisters, adoptees

and stepsiblings, parents and grandparents, even a

special ode to the only child. Both poems and

Hafner's warm expressive illustrations convey the

sense of what makes family life at once so

wonderful and so unpredictable. Told from a child's point of view, the poems are perfect for reading alone or in the classroom and for family story times as well.
