Foundations of Honor Danny Silk 2015-11-17 For years, Danny Silk has been teaching, writing, speaking, and coaching on honor and how to express it in our families, churches, organizations, and communities. And for years, he has received the same feedback and questions around this powerful, challenging, and frequently misunderstood and misapplied concept, such as: "You say that people of honor must be powerful, but to a lot of people, 'powerful' means dominating and selfish. What does it mean to be powerful?" "If respecting our freedom and the freedom of others is crucial to practicing honor, what do we do when people cannot handle their freedom?" "We tried to honorably confront someone, and the person refused to 'clean up his mess.' What do we do now?" "I really don't like confrontation. Doesn't honor mean we should get along without conflict?" "If we're all trying to honor one another equally, does that mean there shouldn't be any leaders?" "Why does 'honor' always seem to turn into 'entitlement?'" The Foundations of Honor Study Guide addresses these questions and more through a comprehensive study of the core values, practices, and cultural effects of honor. Clear biblical teaching and illustrations, along with provoking questions and targeted action points, equip and train readers to examine their own foundations and build a solid foundation of honor in their lives, homes, businesses, churches, and communities. The Foundations of Honor Study Guide is designed to work with the Foundations of Honor Teaching Series as a 10-session course suitable for both individuals and groups.

Socioeconomic Status and Health in Industrial Nations Bruce S. McEwen 2000-06 Socioeconomic status (SES) is a powerful determinate of a person's health, and this effect is felt along the entire range of SES, not just at the extremes of wealth and poverty. In this volume, the full spectrum of biological, psychological, and social pathways by which SES may influence health are explored. Questions addressed include: Is the effect the same in all populations? Does SES affect health or vice versa? Does the gradient occur for all diseases? Policies that could address the social inequalities associated with the gradient and their impact on health are also discussed. Recent studies have shown that income disparity in the United States is

increasing, a state of affairs likely to exacerbate health disparities. As policies are developed at the federal, state, and local levels, the findings presented in this timely book may provide needed information about the relationship between socioeconomic status and health.

Keep Your Love On Danny Silk 2015-02-01 Keeping your love on. It's a hard thing to do. Sometimes it's the hardest thing to do. But if you want to build healthy relationships with God and others, learning to keep your love on is non-negotiable. Adults and children alike thrive in healthy relationships where it is safe to love and be loved, to know and be known. Yet for many, relationships are anything but safe, loving, or intimate. They are defined by anxiety, manipulation, control, and conflict. The reason is that most people have never been trained to be powerful enough to keep their love on in the face of mistakes, pain, and fear. Keep Your Love On reveals the higher, Jesus-focused standard defined by mature love--love that stays 'on' no matter what. Danny Silk's practical examples and poignant stories will leave you with the power to draw healthy boundaries, communicate in love, and ultimately protect your connections so you can love against all odds. As a result, your relationships will be radically transformed for eternity. When you learn to keep your love on, you become like Jesus. -- Danny Silk

The Englor Affair J.L. Langley 2020 Anxious to escape the confines of Regelece Society, if only for a little while, Prince Payton Townsend poses as an admiral's aide to further investigate a dangerous conspiracy.Payton plans only to use his computer skills to help navigate the tangled web of mystery and deceit on Planet Englor, then return home, but he finds himself drawn to the charismatic Colonel Simon Hollister. Simon, however, is no mere soldier--he is heir to the throne of Englor, and his life is meticulously planned to include a bride and heir. Unlike Regelece, the Regency Society on Englor disapproves of same-sex relationships, and Payton and Simon's attraction plays out in a daring secret affair, one Simon never expected would grow into love. Risking scandal and certain ruin if they are discovered, Payton and Simon uncover more about a common enemy and a deadly plot that imperils both their worlds. But in this game of interplanetary intrigue, love might be the ultimate casualty....

Frida Kahlo Purple (FoilEd Journal) Flame Tree Studio 2021-10-12 A Flame Tree Notebook. Beautiful and luxurious the journals combine high-quality production with magnificent art. Perfect as a gift, and an essential personal choice for writers, notetakers, travellers, students, poets and diarists. Features a wide range of well-known and modern artists, with new artworks published throughout the year. Beautifully designed. The highly crafted covers are printed on foil paper, embossed then foil stamped, complemented by the luxury binding and rose red end-papers. The covers are created by our artists and designers who spend many hours transforming original artwork into gorgeous 3d masterpieces that feel good in the hand, and look wonderful on a desk or table. Practical, easy to use. Flame Tree Notebooks come with practical features too: a pocket at the back for scraps and receipts; two ribbon markers to help keep track of more than just a to-do list; robust ivory text paper, printed with lines; and when you need to collect other notes or scraps of paper the magnetic side flap keeps everything neat and tidy. The art. One of the most iconic artists of the 20th century, Frida Kahlo's bold, carefully crafted visual identity is in many respects an extension of her art, celebrating her Mexican heritage and countercultural ideals while defying traditional notions of female beauty. The final word. As William Morris said, have nothing in your houses that you do not know to be useful, or believe to be beautiful.
