Five Year Forward View - NHS England

Our values haven't changed, but our world has. So the NHS needs to adapt to take advantage of the opportunities that science and technology offer patients, carers and those who serve them. But also needs it to evolve to meet new challenges: we live longer, with complex health issues, sometimes of our own making. One in five adults still smoke.

Annual Report and Accounts Year ended 31 December 2020

The self-isolation period was reduced from 14 days to ten on 14 December 2020. From 5 January 2021, the UK Government announced a third lockdown in England, with a travel ban for the majority of the population. On 18 January 2021, travel corridors were suspended, with any travellers arriving in England from anywhere outside the UK, Ireland, the

U.S. Sanctions on Russia - Congress

Changes in world oil prices and the Coronavirus Disease
2019 (COVID-19) pandemic appear to have had a greater
impact than sanctions on the Russian economy. After oil
prices rose in 2016, Russia's economy began to
strengthen even as sanctions remained in place and, in
some instances, were tightened. The Obama Administration
and the EU designed
