The Obstacle Is the Way Ryan Holiday 2014-05-01 #1 Wall Street Journal Bestseller The Obstacle is the Way has become a cult classic, beloved by men and women around the world who apply its wisdom to become more successful at whatever they do. Its many fans include a former governor and movie star (Arnold

Schwarzenegger), a hip hop icon (LL Cool J), an Irish tennis pro (James McGee), an NBC sportscaster (Michele Tafoya), and the coaches and players of winning teams like the New England Patriots, Seattle Seahawks, Chicago Cubs, and University of Texas men's basketball team. The book draws its inspiration from

on August 8, 2022 by guest

ancient Greek philosophy of enduring pain or adversity with perseverance and resilience. Stoics focus on the things they can control, let go of everything else, and turn every new obstacle into an opportunity to get better, stronger, tougher. As Marcus Aurelius put it nearly 2000 years ago: “The impediment to action advances action. What stands in the way becomes the way.” Ryan Holiday shows us how some of the most successful people in history—from John D. Rockefeller to Amelia Earhart to Ulysses S. Grant to Steve Jobs—have applied stoicism to overcome difficult or even impossible situations. Their embrace of these principles ultimately mattered more than their natural intelligence, talents, or luck. If you’re feeling frustrated, demoralized, or stuck in a rut, this book can help you turn your problems into your biggest advantages. And along the way it will inspire you with

dozens of true stories of the greats from every age and era.

Trust Me, I'm Lying Ryan

Holiday 2013-07-02 The cult classic that predicted the rise of fake news—revised and updated for the post-Trump, post-Gawker age. Hailed as "astonishing and disturbing" by the Financial Times and "essential reading" by TechCrunch at its original publication, former American Apparel marketing director Ryan Holiday's first book sounded a prescient alarm about the dangers of fake news. It's all the more relevant today. Trust Me, I'm Lying was the first book to blow the lid off the speed and force at which rumors travel online—and get "traded up" the media ecosystem until they become real headlines and generate real responses in the real world. The culprit? Marketers and professional media manipulators, encouraged by the toxic economics of the news business. Whenever you

malicious online rumor costs a company millions, politically motivated fake news driving elections, a product or celebrity zooming from total obscurity to viral sensation, or anonymously sourced articles becoming national conversation, someone is behind it. Often someone like Ryan Holiday. As he explains, “I wrote this book to explain how media manipulators work, how to spot their fingerprints, how to fight them, and how (if you must) to emulate their tactics. Why am I giving away these secrets? Because I’m tired of a world where trolls hijack debates, marketers help write the news, opinion masquerades as fact, algorithms drive everything to extremes, and no one is accountable for any of it. I’m pulling back the curtain because it’s time the public understands how things really work. What you choose to do with this information is up to you.”

Daily Stoic: A Daily Journal On

Meditation, Stoicism, Wisdom and Philosophy to Improve Your Life George Tanner This book is a collection of Stoic sayings organized to allow daily reference and inspiration.

Including quotes from: Marcus Aurelius Seneca Epictetus And much more... The Stoic advice covered in this volume runs the gambit from personal problems, to interpersonal relationships, to advice on work and productivity, to dealing with the hand of fate. Meditations in this book are split up by seasons. There are meditations for each season, covering the four seasons. Face the world with a new light with the help of these immortal thinkers and learn both to conquer yourself and to come to terms with those things which you cannot control.

Stoicism Collection Marcus Aurelius 2018-02-05 This Stoicism Collection contains three of the most notable Stoic pieces, The Meditations of ~~Marcus Aurelius~~ makedatamakesense.com on August 8, 2022 by guest

Aurelius, Seneca's Letters from a Stoic, and The Discourses of Epictetus. These three pieces are the foundations of Stoicism.

Reading Seneca Brad Inwood 2005-06-16 Brad Inwood presents a selection of his most influential essays on the philosophy of Seneca, the Roman Stoic thinker, statesman, and tragedian of the first century AD. Including two brand-new pieces, and a helpful introduction to orient the reader, this volume will be an essential guide for anyone seeking to understand Seneca's fertile, wide-ranging thought and its impact on subsequent generations. In each of these essays Seneca is considered as a philosopher, but with as much account as possible taken of his life, his education, his intellectual and literary background, his career, and his self-presentation as an author. Seneca emerges as a discerning and well-read Stoic, with a strong inclination to think for himself in the context of an intellectual

climate teeming with influences from other schools. Seneca's intellectual engagement with Platonism, Aristotelianism, and even with Epicureanism involved a wide range of substantial philosophical interests and concerns. His philosophy was indeed shaped by the fact that he was a Roman, but he was a true philosopher shaped by his culture rather than a Roman writer trying his hand at philosophical themes. The highly rhetorical character of his writing must be accounted for when reading his works, and when one does so the underlying philosophical themes stand out more clearly. While it is hard to generalize about an overall intellectual agenda or systematic philosophical method, key themes and strategies are evident. Inwood shows how Seneca's philosophical ingenium worked itself out in a fundamentally particularistic way as he pursued those aspects of Stoicism that engaged him

most forcefully over his career. SUMMARY of the DAILY STOIC by Ryan Holiday, and Stephen Hanselman Eric Chapman 2021-10-24 A Simple to Digest Summary Guide of "The Daily Stoic" -Are you seeking for a book that reads like a devotional but isn't religious? -Do you wish to be reminded of mindfulness, awareness, philosophy, meditation, and contemplation on a daily basis? ...This is the book you've been looking for. Stoicism, as a philosophy, is primarily concerned with the mental game, according to Holiday. "It is neither a code of ethics nor a set of rules. It is a set of spiritual exercises aimed at assisting people in navigating the difficulties of life by managing emotion, particularly unhelpful emotion. Stoicism's purpose is to achieve inner tranquility. "The Daily Stoic" meditations can assist us in overcoming misfortune, developing self-control, being aware of our impulses, and

appreciating how brief life is and making the most of it. The Daily Stoic includes all-new translations from Emperor Marcus Aurelius, playwright Seneca, slave-turned-philosopher Epictetus, and lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year, one of their short, compelling lines, as well as historical facts, interesting commentary, and a handy dictionary of Greek words, can be found in this book. You'll find the peace, self-awareness, and resilience you need to live successfully if you follow these teachings for a year - and, indeed, for years to come. Let's get started! Daily Stoic"(full book); which this isn't, just sort for the name of the book in the search bar of Amazon

The Daily Drucker Peter Drucker 2018-03-09 A powerful new learning tool for the ambitious, self-directed manager, entrepreneur, or business person today, The Daily Drucker distils the essence of management guru Peter F. Drucker's teachings in an easy-to-access, daily calendar format. It presents in organized form: a key statement of Drucker's, followed by a few lines of comment and explanation, with topics ranging across a great many fields of his work: management, business and the world economy; a changing society; innovation and entrepreneurship; decision-making; the changing workforce and the non-profit and their management. However, the most important part of this book are the blank halves of its pages. They are what the readers will contribute, their actions, decisions

and the results of these decisions. There are 366 readings, each addressing a major topic, one for every day of the year. Each reading starts with a topic and a "Drucker Proverb" such as "Know Thy Time", capturing the essence of the topic. Then there is a teaching taken directly from the works of Peter Drucker. Next comes the action step, where you are asked to "Think on" the teaching and apply it to yourself and your organization.

The Discourses of Epictetus

Epictetus 2021-10-19 The Discourses of Epictetus Epictetus - The books did not have a formal title in ancient times. Although Simplicius called them Diatribai other writers gave them titles such as *Dialexis* , and *Homiliai* . The modern name comes from the titles given in the earliest medieval manuscript: "Arrian's Diatribai of Epictetus" . The Greek word Diatribai literally means "informal talks".As to the date, it is generally

Downloaded from makedatamakesense.com

on August 8, 2022 by

the Discourses were composed sometime in the years around 108 AD. Epictetus himself refers to the coins of Trajan, which shows he was teaching during that reign. Arrian was suffect consul in around 130, and since forty-two was the standard age for that position, he would have been at the right age of around twenty in 108. Furthermore the "commissioner" of the "free cities" to whom Discourse iii. 7 is addressed is thought to be the same man Pliny the Younger addresses his Letter viii. 24a letter which has been dated to around 108.

366 Stoic Quotes Alexander Clavell 2019-11-30 Stoicism gives us the tools we need to be able to endure the worst in life, and the presence to appreciate the best in life. Since ancient times, people have looked to the great stoic philosopher for direction on the way to live a good life, in accordance with reason and virtue. In his new book,

Alexander Clavell has compiled a year of wisdom from ancient and modern stoics. This book contains:
►A stoic quote for every day of 2020
►Wisdom from the great stoic philosophers
►Profound insights by today's modern stoics
►A year of meditations to keep you on the stoic path

successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. Ego Is the Enemy draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, “you will

be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you’ve set out to achieve.”

The Daily Stoic Ryan Holiday
2016-10-18 From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Roman Empire. In Lives of the Stoics, Holiday and Hanselman present the fascinating lives of the men and women who strove to live by the timeless Stoic virtues of Courage. Justice. Temperance. Wisdom. Organized in digestible, mini-biographies of all the well-known--and not so well-known--Stoics, this book vividly brings home what Stoicism was like for the people who loved it and lived it, dusting off powerful lessons to be learned from their struggles and successes. More than a mere history book, every example in these pages, from Epictetus to Marcus Aurelius--slaves to emperors--is designed to help the reader apply philosophy in their own lives. Holiday and Hanselman unveil the core values and ideas that unite figures from Seneca to Cato to Cicero across the centuries. Among them are the idea that self-rule is the greatest empire, that character is fate; how Stoics

benefit from preparing not only for success, but failure; and learn to love, not merely accept, the hand they are dealt in life. A treasure of valuable insights and stories, this book can be visited again and again by any reader in search of inspiration from the past.

gay. Thiel's sexuality had been known to close friends and family, but he didn't consider himself a public figure, and believed the information was private. This post would be the casus belli for a meticulously plotted conspiracy that would end nearly a decade later with a \$140 million dollar judgment against Gawker, its bankruptcy and with Nick Denton, Gawker's CEO and founder, out of a job. Only later would the world learn that Gawker's demise was not incidental--it had been masterminded by Thiel. For years, Thiel had searched endlessly for a solution to what he'd come to call the "Gawker Problem." When an unmarked envelope delivered an illegally recorded sex tape of Hogan with his best friend's wife, Gawker had seen the chance for millions of pageviews and to say the things that others were afraid to say. Thiel saw their publication of the tape as the opportunity he

was looking for. He would come to pit Hogan against Gawker in a multi-year proxy war through the Florida legal system, while Gawker remained confidently convinced they would prevail as they had over so many other lawsuit--until it was too late. The verdict would stun the world and so would Peter's ultimate unmasking as the man who had set it all in motion. Why had he done this? How had no one discovered it? What would this mean--for the First Amendment? For privacy? For culture? In Holiday's masterful telling of this nearly unbelievable conspiracy, informed by interviews with all the key players, this case transcends the narrative of how one billionaire took down a media empire or the current state of the free press. It's a study in power, strategy, and one of the most wildly ambitious--and successful--secret plots in recent memory. Some will cheer

Gawker's destruction. Downloaded from makedatamakesense.com on August 8, 2022 by guest

will lament it, but after reading these pages--and seeing the access the author was given--no one will deny that there is something ruthless and brilliant about Peter Thiel's shocking attempt to shake up the world.

How to Keep Your Cool Seneca
2019-02-19 Timeless wisdom on controlling anger in personal life and politics from the Roman Stoic philosopher and statesman Seneca
In his essay "On Anger" (De Ira), the Roman Stoic thinker Seneca (c. 4 BC–65 AD) argues that anger is the most destructive passion: "No plague has cost the human race more dear." This was proved by his own life, which he barely preserved under one wrathful emperor, Caligula, and lost under a second, Nero. This splendid new translation of essential selections from "On Anger," presented with an enlightening introduction and the original Latin on facing pages, offers readers a timeless guide to avoiding and managing anger. It

vividly illustrates why the emotion is so dangerous and why controlling it would bring vast benefits to individuals and society. Drawing on his great arsenal of rhetoric, including historical examples (especially from Caligula's horrific reign), anecdotes, quips, and soaring flights of eloquence, Seneca builds his case against anger with mounting intensity. Like a fire-and-brimstone preacher, he paints a grim picture of the moral perils to which anger exposes us, tracing nearly all the world's evils to this one toxic source. But he then uplifts us with a beatific vision of the alternate path, a path of forgiveness and compassion that resonates with Christian and Buddhist ethics. Seneca's thoughts on anger have never been more relevant than today, when uncivil discourse has increasingly infected public debate. Whether seeking personal growth or political renewal, readers

[Courage Is Calling](#) Ryan Holiday

2021-09-28 The instant New York Times, Wall Street Journal, and USA Today Bestseller! Ryan

Holiday's bestselling trilogy—The Obstacle Is the Way, Ego is the Enemy, and Stillness is the Key—captivated professional athletes, CEOs, politicians, and entrepreneurs and helped bring Stoicism to millions of readers.

Now, in the first book of an exciting new series on the cardinal virtues of ancient philosophy, Holiday explores the most foundational virtue of all: Courage. Almost every religion, spiritual practice, philosophy and person grapples with fear. The most repeated phrase in the Bible is “Be not afraid.” The ancient Greeks spoke of phobos, panic and terror. It is natural to feel fear, the Stoics believed, but it cannot rule you. Courage, then, is the ability to rise above fear, to do what's right, to do what's needed, to do what is true. And so it rests at the heart of the works of Marcus Aurelius, Aristotle, and CS Lewis, alongside temperance, justice, and wisdom. In *Courage Is Calling*, Ryan Holiday takes us

on August 8, 2022 by guest

Downloaded from makedatamakesense.com

on August 8, 2022 by guest

down the elements of fear, an expression of cowardice, the elements of courage, an expression of bravery, and lastly, the elements of heroism, an expression of valor. Through engaging stories about historic and contemporary leaders, including Charles De Gaulle, Florence Nightingale, and Dr. Martin Luther King Jr., *Holiday* shows you how to conquer fear and practice courage in your daily life. You'll also delve deep into the moral dilemmas and courageous acts of lesser-known, but equally as important, figures from ancient and modern history, such as Helvidius Priscus, a Roman Senator who stood his ground against emperor Vespasian, even in the face of death; Frank Serpico, a former New York City Police Department Detective who exposed police corruption; and Frederick Douglass and a slave named Nelly, whose fierce resistance against her captors

inspired his own crusade to end slavery. In a world in which fear runs rampant—when people would rather stand on the sidelines than speak out against injustice, go along with convention than bet on themselves, and turn a blind eye to the ugly realities of modern life—we need courage more than ever. We need the courage of whistleblowers and risk takers. We need the courage of activists and adventurers. We need the courage of writers who speak the truth—and the courage of leaders to listen. We need you to step into the arena and fight.

The Wisdom of the Stoics

Frances Kanes Hazlitt 1984 The first volume of its kind to bring together generous selections of the works of three of the great Stoic philosophers, Seneca, Epictetus, and Marcus Aurelius.

Perennial Seller Ryan Holiday 2017-07-18 The book that Inc. says "every entrepreneur should read" and an FT Book of the Month selection... How did the movie The Shawshank Redemption fail at the box office but go on to gross more than \$100

million as a cult classic? How did The 48 Laws of Power miss the bestseller lists for more than a decade and still sell more than a million copies? How is Iron Maiden still filling stadiums worldwide without radio or TV exposure forty years after the band was founded? Bestselling author and marketer Ryan Holiday calls such works and artists perennial sellers. How do they endure and thrive while most books, movies, songs, video games, and pieces of art disappear quickly after initial success? How can we create and market creative works that achieve longevity? Holiday explores this mystery by drawing on his extensive experience working with businesses and creators such as Google, American Apparel, and the author John Grisham, as well as his interviews with the minds behind some of the greatest perennial sellers of our time. His fascinating examples include: • Rick Rubin

for Adele, Jay-Z, and the Red Hot Chili Peppers, who teaches his artists to push past short-term thinking and root their work in long-term inspiration. • Tim Ferriss, whose books have sold millions of copies, in part because he rigorously tests every element of his work to see what generates the strongest response. • Seinfeld, which managed to capture both the essence of the nineties and timeless themes to become a modern classic. • Harper Lee, who transformed a muddled manuscript into *To Kill a Mockingbird* with the help of the right editor and feedback. • Winston Churchill, Stefan Zweig, and Lady Gaga, who each learned the essential tenets of building a platform of loyal, dedicated supporters. Holiday reveals that the key to success for many perennial sellers is that their creators don't distinguish between the making and the marketing. The product's purpose and audience are in the

creator's mind from day one. By thinking holistically about the relationship between their audience and their work, creators of all kinds improve the chances that their offerings will stand the test of time.

The Little Book of Stoicism Jonas Salzgeber 2019-01-28 This compelling, highly actionable guide shows you how to deal more effectively with whatever life throws at you and live up to your best self. Meditations Marcus Aurelius 2021-01-01 *Meditations* is a series of personal writings by Marcus Aurelius, Roman Emperor from 161 to 180 AD, recording his private notes to himself and ideas on Stoic philosophy

[Stillness Is the Key](#) Ryan Holiday 2019-10-01 Instant #1 New York Times Bestseller & Wall Street

makedatamakesense.com

on August 8, 2022 by guest

Journal Bestseller In The Obstacle Is the Way and Ego Is the Enemy, bestselling author Ryan Holiday made ancient wisdom wildly popular with a new generation of leaders in sports, politics, and technology. In his new book, Stillness Is the Key, Holiday draws on timeless Stoic and Buddhist philosophy to show why slowing down is the secret weapon for those charging ahead. All great leaders, thinkers, artists, athletes, and visionaries share one indelible quality. It enables them to conquer their tempers. To avoid distraction and discover great insights. To achieve happiness and do the right thing. Ryan Holiday calls it stillness--to be steady while the world spins around you. In this book, he outlines a path for achieving this ancient, but urgently necessary way of living. Drawing on a wide range of history's greatest thinkers, from Confucius to Seneca, Marcus Aurelius to Thich Nhat Hanh,

John Stuart Mill to Nietzsche, he argues that stillness is not mere inactivity, but the doorway to self-mastery, discipline, and focus. Holiday also examines figures who exemplified the power of stillness: baseball player Sadaharu Oh, whose study of Zen made him the greatest home run hitter of all time; Winston Churchill, who in balancing his busy public life with time spent laying bricks and painting at his Chartwell estate managed to save the world from annihilation in the process; Fred Rogers, who taught generations of children to see what was invisible to the eye; Anne Frank, whose journaling and love of nature guided her through unimaginable adversity. More than ever, people are overwhelmed. They face obstacles and egos and competition. Stillness Is the Key offers a simple but inspiring antidote to the stress of 24/7 news and social media. The stillness that we all seek is

meaning, contentment, and excellence in a world that needs more of it than ever.

A Guide to the Good Life

William B. Irvine 2008-11-04

One of the great fears many of us face is that despite all our effort and striving, we will discover at the end that we have wasted our life. In *A Guide to the Good Life*, William B. Irvine plumbs the wisdom of Stoic philosophy, one of the most popular and successful schools of thought in ancient Rome, and shows how its insight and advice are still remarkably applicable to modern lives. In *A Guide to the Good Life*, Irvine offers a refreshing presentation of Stoicism, showing how this ancient philosophy can still direct us toward a better life. Using the psychological insights and the practical techniques of the Stoics, Irvine offers a roadmap for anyone seeking to avoid the feelings of chronic dissatisfaction that plague so many of us. Irvine looks at various Stoic techniques

for attaining tranquility and shows how to put these techniques to work in our own life. As he does so, he describes his own experiences practicing Stoicism and offers valuable first-hand advice for anyone wishing to live better by following in the footsteps of these ancient philosophers. Readers learn how to minimize worry, how to let go of the past and focus our efforts on the things we can control, and how to deal with insults, grief, old age, and the distracting temptations of fame and fortune. We learn from Marcus Aurelius the importance of prizing only things of true value, and from Epictetus we learn how to be more content with what we have. Finally, *A Guide to the Good Life* shows readers how to become thoughtful observers of their own lives. If we watch ourselves as we go about our daily business and later reflect on what we saw, we can better identify the source of our

and eventually avoid that pain in our life. By doing this, the Stoics thought, we can hope to attain a truly joyful life.

365 Stoic Quotes Abstract Press 2021-03-23 Do not explain your philosophy... Embody it!- Epictetus Stoicism is an ancient philosophy based on cultivating a good life with inner peace through the development of the four Stoic virtues: discipline, justice, courage, and moderation. Stoicism focuses on using one's own reason to direct their life by living life in accordance with goodwill to all men, accepting all that is not within our power, and living harmoniously with the nature of the universe. This collection contains gems of wisdom from both the great stoic philosophers from ancient Greece and Rome, as well as modern thinkers that embody the virtues of stoicism. This book contains:
►A stoic quote for every day of the year ►Wisdom from the great stoic philosophers of ancient

Greece and Rome ►Deep and meaningful insights by the modern stoics of today ►A year of meditations to keep you on the stoic path Get 365 Stoic Quotes: Daily stoic meditations on virtue, self-control, discipline, wisdom, justice, courage, and moderation NOW!

The Stoic Challenge: A Philosopher's Guide to Becoming Tougher, Calmer, and More Resilient William B. Irvine

2019-09-03 A practical, refreshingly optimistic guide that uses centuries-old wisdom to help us better cope with the stresses of modern living. Some people bounce back in response to setbacks; others break. We often think that these responses are hardwired, but fortunately this is not the case. Stoicism offers us an alternative approach. Plumbing the wisdom of one of the most popular and successful schools of thought from ancient Rome, philosopher William B. Irvine teaches us to turn ~~Downloaded from~~

on its head. The Stoic Challenge, then, is the ultimate guide to improving your quality of life through tactics developed by ancient Stoics, from Marcus Aurelius and Seneca to Epictetus. This book uniquely combines ancient Stoic insights with techniques discovered by contemporary psychological research, such as anchoring and framing. The result is a surprisingly simple strategy for dealing with life's unpleasant and unexpected challenges—from minor setbacks like being caught in a traffic jam or having a flight cancelled to major setbacks like those experienced by physicist Stephen Hawking, who slowly lost the ability to move, and writer Jean-Dominique Bauby, who suffered from locked-in syndrome. The Stoics discovered that thinking of challenges as tests of character can dramatically alter our emotional response to them. Irvine's updated "Stoic test strategy" teaches us how to

transform life's stumbling blocks into opportunities for becoming calmer, tougher, and more resilient. Not only can we overcome everyday obstacles—we can benefit from them, too.

this important discipline that suits your life and goals. Real-world stories and practical examples will help you make measurable progress and build satisfaction in your most cherished pursuits.

Summary of the Daily Stoic

Benjamin Collins 2021-02-09

Summary and Analysis of The Daily Stoic: 366 Meditations on Wisdom, Perseverance and the Art of Living By Ryan Holiday & Stephen Hanselman The question is that... Do you want more wisdom, more persistence, and more skill in the art of living? If so, begin with the summary of the Daily Stoic. Inspired by the teachings of famous Greek and Roman philosophers such as Seneca, Epictetus, and the great emperor Marcus Aurelius, this book presents 366 meditations a day to get you through the year. Given the fact that Stoicism is the most common discipline of its day, it is timeless and highly relevant in our brave new world. The

purpose of this book is "to restore Stoicism to its rightful place as a tool in the pursuit of self-mastery, perseverance, and wisdom. If you're looking to live a good life, this book provides regular doses of motivation and wisdom.

Summary of The Daily Stoic

Alexander Cooper 2021-10-31

Summary of The Daily Stoic - 366 Meditations on Wisdom, Perseverance, and the Art of Living - A Comprehensive Summary How Is The Daily Stoic Arranged? As the subtitle suggests, the book provides 366 Meditations on Wisdom, Persistence, and the Art of Living. These daily meditations are Stoic quotes translated by Stephen Hanselman, one for each day of the year, combined with Ryan Holiday's thoughts. The design is associated with the Stoic exercises in the three critical disciplines:

- The Discipline of Perception: how we see and see the world around

Discipline of Action: the decisions and actions that we take, and to what end. • The Discipline of Will: How we deal with circumstances that we cannot alter, obtain a strong and persuasive judgment, and come to a true understanding of our position in the universe. We can find clarity by controlling our perceptions. We will be successful in directing our acts properly and equally. Through using and aligning our will, we will find wisdom and insight to deal with everything the universe brings before us. Ryan holiday devoted four months to each discipline, all of which have a particular stoic character to cultivate in our own lives. In this summary, you will find the most interesting ideas for each month. Let's dig in. Here is a Preview of What You Will Get: - A Full Book Summary - An Analysis - Fun quizzes - Quiz Answers - Etc. Get a copy of this summary and learn about the book.

The Effective Executive in Action

Peter F. Drucker

2005-12-02 The Effective

Executive in Action is a journal based on Peter F. Drucker's classic and preeminent work on management and effectiveness -- The Effective Executive. Here Drucker and Maciariello provide executives, managers, and knowledge workers with a guide to effective action -- the central theme of Drucker's work. The authors take more than one hundred readings from Drucker's classic work, update them, and provide provocative questions to ponder and actions to take in order to improve your own work. Also included in this journal is a space for you to record your thoughts for later review and reflection. The Effective Executive in Action will teach you how to be a better leader and how to lead according to the five main pillars of Drucker's leadership philosophy.

Sunday Times of London Pick of

about how power works in the
modern age--the book the New
York Times called "one helluva
page-turner" and The Sunday
Times of London celebrated as
"riveting...an astonishing modern
media conspiracy that is a
fantastic read." Pick up the book
everyone is talking about. In
2007, a short blogpost on
Valleywag, the Silicon Valley-
vertical of Gawker Media, outed
PayPal founder and billionaire
investor Peter Thiel as gay.
Thiel's sexuality had been
known to close friends and
family, but he didn't consider
himself a public figure, and
believed the information was
private. This post would be the
casus belli for a meticulously
plotted conspiracy that would
end nearly a decade later with a
\$140 million dollar judgment
against Gawker, its bankruptcy

and with Nick Denton, Gawker's
CEO and founder, out of a job.
Only later would the world learn
that Gawker's demise was not
incidental--it had been
masterminded by Thiel. For
years, Thiel had searched
endlessly for a solution to what
he'd come to call the "Gawker
Problem." When an unmarked
envelope delivered an illegally
recorded sex tape of Hogan with
his best friend's wife, Gawker
had seen the chance for millions
of pageviews and to say the
things that others were afraid to
say. Thiel saw their publication of
the tape as the opportunity he
was looking for. He would come
to pit Hogan against Gawker in a
multi-year proxy war through
the Florida legal system, while
Gawker remained confidently
convinced they would prevail as
they had over so many other
lawsuit--until it was too late. The
verdict would stun the world
and so would Peter's ultimate
unmasking as the

set it all in motion. Why had he done this? How had no one discovered it? What would this mean--for the First Amendment? For privacy? For culture? In Holiday's masterful telling of this nearly unbelievable conspiracy, informed by interviews with all the key players, this case transcends the narrative of how one billionaire took down a media empire or the current state of the free press. It's a study in power, strategy, and one of the most wildly ambitious--and successful--secret plots in recent memory. Some will cheer

Gawker's destruction and others will lament it, but after reading these pages--and seeing the access the author was given--no one will deny that there is something ruthless and brilliant about Peter Thiel's shocking attempt to shake up the world.
