*The Kingdom of Christ Delineated in Two Essays on Our Lord's Own Account of His Person and of the Nature of His Kingdom, and on the Constitution, Powe* Richard Whately 2013-01-28 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

*Theological Encyclopaedia and Methodology* George Richard Crooks 1894

The Kingdom of Christ Delineated, in Two Essays on Our Lord's Own Account of His Person, and of the Nature of His Kingdom, and on the Constitution, Powers and Ministry of a Christian Church as Appointed by Himself Richard Whately 1859 The following essays contain the substance of some discourses not originally designed for the press, but which I was strongly urged to publish by several of the persons to whom the volume is inscribed. I have endeavoured to throw the materials into a form more suited for private perusal than that of the discourses originally delivered. Among the subjects here treated of are some on which I have not only reflected much, but have written and published from time to time for above twelve years. And it may not be impertinent here to remark, that in respect of some most important points now maintained, I may appeal (besides the arguments contained in the following pages) to the strongest of all external confirmations, the testimony of opponents. Not that I have ever written in a polemical form, or sought to provoke controversy; but by opponents, I mean those who have maintained, and who still maintain, opinions opposite to those I have put forth; but who have never, to the best of my knowledge, even attempted any refutation of the reasons I have adduced. - Preface.

**The Kingdom of Christ. Delineated in Two Essays ... Third Edition** Richard Whately 1842

**The Kingdom of Christ** Richard Whately 2017-10-15 Excerpt from The Kingdom of Christ: Delineated in Two Essays on Our Lord's Own Account of His Person and of the Nature of His Kingdom, and on the Constitution, Powers, and Ministry of a Christian Church, as Appointed by Himself It cannot be alleged that they are not worth noticing: since, whether intrinsically weak or strong, the reception they have met with from the Public indicates their having had some influence. And again, if any one is averse to entering into controversy, and especially personal controversy (a feeling with which I cordially sympathize, ) this would not compel him to leave wholly unnoticed all the arguments that can be urged against his views. It would be absurd to speak as if there were no medium between, on the one hand, engaging in a controversy, and, on the other hand, passing over without any notice at all, every thing that ever has been, or may be, urged on the opposite side. Nothing is easier, or more common, and I should add, nothing more advisable, than to notice in general terms the opinions or arguments opposed to one's own. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
