**Evidence Series Box Set Volume 3** Rachel Grant 2021-04-11 Three sexy, high-octane thrillers where archaeology and danger collide. The adventure begins in *Poison Evidence* as Ivy MacLeod finds herself at the center intrigue as spies vie for her advanced mapping technology in the midst of a tropical paradise. It continues in *Silent Evidence* as Hazel

MacLeod finally gets the attention of the former Navy SEAL she's wanted for years. The only problem is the relationship is fake because he's really her bodyguard. In *Winter Hawk*, Leah Ellis is stranded in the nation's capital during the holidays without money, phone, or bed. All she has is a mysterious driver who might be after military secrets. *Poison Evidence* It was supposed to be paradise.... Ivy MacLeod has the perfect opportunity to test her advanced remote sensing technology: mapping a World War II battle site in the islands of Palau. The project is more than an all-expenses-paid trip to paradise. It's also an opportunity to distance her reputation from her traitorous ex-husband. But foreign intelligence agencies will kill to possess her invention, and paradise turns deadly when her ex-husband's vicious allies attack. In desperation, she turns to Air Force pilot Jack Keaton. But is he the bigger threat? Jack might be protecting her as he claims...or he could be a foreign agent. Her compass is skewed by his magnetic pull and further thrown off when she learns her own government has betrayed her. Stranded on a tropical island with a man whose motives remain a mystery, Ivy must decide who is the spy, who is the protector, and who is the ultimate villain. She longs to trust the man who rescued her, but she's risking more than her heart. Choose right, and she saves her country's secrets—and her life. Choose wrong—and she risks nothing short of all-out war. *Silent Evidence* The man of her fantasies is finally hers. Sort of... Two things haunt forensic anthropologist Hazel MacLeod: the bones of victims of genocide she examines for her work, and former SEAL Sean Logan's rejection. But within days of moving to her cousin's estate to take a much needed break, she finds herself faced with both. First, she's called in to examine a mass grave in Virginia, then, her politician cousin receives a threatening letter and insists Hazel needs around the clock protection—from none other than Sean Logan. To make matters worse, because the threat to her is classified, Hazel and Sean must pretend to be lovers to hide that he's her bodyguard. Sean has spent years trying to avoid his boss's sexy cousin, but now he's guarding her twenty-four seven and even bringing her as his date to a romantic destination wedding. As the heat between them intensifies, Sean can't lose sight of the danger that brought them together. But when bullets start flying, new questions arise. Are the senator's political rivals really behind the threat, or is someone trying to silence Hazel from speaking for the dead? *Winter Hawk* Raptor operative Nate Sifuentes isn't thrilled to find himself back on the job on the first day of his winter vacation, but he can't say no when his brother asks a favor. At least he'll earn an easy Christmas bonus—after all, driving a fired military contractor home after she's been escorted off base by military police can't be that hard. In a matter of minutes, Leah Ellis has lost everything, and now she's stranded in the nation's capital on the first night of Hanukkah without money, phone, or bed. All she has is a mysterious driver who might be after her technical knowledge of the US military's drone operations. The former Green Beret's protective instincts—and skills—kick in when he discovers the alluring AI engineer is being hunted. On the run, they escape the winter cold by generating their own heat, but will they find answers in time to stop a terror attack on Christmas Day?

*A Love Song for Rebels* Piper Lawson 2020-05-27 I swore I'd never fall for a rockstar. He swore he'd never become one. Tyler didn't mean to break my heart. He did it anyway. Now, I'll never play by anyone's rules but mine. When he shows up in the last place I expect, with a confession and a promise... There's going to be a reckoning. **Leadership Coaching** Tony Stoltzfus 2005-06-28 Leadership Coaching is an essential tool for anyone who wants to learn to coach or improve their coaching skills. Written by a top Christian coach trainer, it is filled with real-life stories, practical tools and application exercises that bring coaching techniques to life. Part I is an in-depth look at how coaching fits with the purposes of God. Starting with key biblical concepts about how God builds leaders, this book goes beyond proof-texting to present an integrated, values-based paradigm for leadership coaching. Part II uses a hands-on, interactive approach to show you how to coach. Utilizing the seven key elements of effective coaching as a framework, each facet of the coaching relationship is explained in detail. Then follow-up Master Class sections help you internalize the key concepts and try them out in real life. Leadership coaching is a great introduction to a powerful way of helping others grow.

A Historical Guide to Edith Wharton Carol J. Singley 2003-01-30 Edith Wharton, arguably the most important American female novelist, stands at a particular historical crossroads between sentimental lady writer and modern professional author. Her ability to cope with this collision of Victorian and modern sensibilities makes her work especially interesting. Wharton also writes of American subjects at a time of great social and economic change-Darwinism, urbanization, capitalism, feminism, world war, and eugenics. She not only chronicles these changes in memorable detail, she sets them in perspective through her prodigious knowledge of history, philosophy, and religion. A Historical Guide to Edith Wharton provides scholarly and general readers with historical contexts that illuminate Wharton's life and writing in new, exciting ways. Essays in the volume expand our sense of Wharton as a novelist of manners and demonstrate her engagement with issues of her day.

The Englor Affair J.L. Langley 2020 Anxious to escape the confines of Regence society, if only for a little while, Prince Payton Townsend poses as an admiral's aide to further investigate a dangerous conspiracy. Payton plans only to use his computer skills to help navigate the tangled web of mystery and deceit on planet Englor, then return home, but he finds himself drawn to the charismatic Colonel Simon Hollister. Simon, however, is no mere soldier--he is heir to the throne of Englor, and his life is meticulously planned to include a bride and heir. Unlike Regence, the Regency society on Englor disapproves of same-sex relationships, and Payton and Simon's attraction plays out in a daring secret affair, one Simon never expected would grow into love. Risking scandal and certain ruin if they are discovered, Payton and Simon uncover more about a common enemy and a deadly plot that imperils both their worlds. But in this game of interplanetary intrigue, love might be the ultimate casualty....

Nothing Is Impossible Dynamo 2012-09-27 'I immersed myself in magic. I

read every book I could get my hands on and practised and practised, day after day and night after night. Magic became my world...some might say an obsession.' When you're a kid life can seem tough; tougher for some than others. But the darkest of times can also be the most enlightening. When his late granddad showed him magic for the first time, Steven Frayne knew there was more to life than hiding from bullies. He had a destiny. A calling. In that moment Dynamo was born: the most exciting magician of the 21st century. Since then, Dynamo has shocked, thrilled and amazed men, women and children, from all walks of life, all over the world. With his mind-blowing illusions, he has catalysed a whole new era of magic. Now, in his very first book, Dynamo invites you to join him on a breathtaking journey across the globe. Be prepared to levitate Lindsay Lohan in Singapore, transform snow into diamonds in the Austrian mountains, and walk on water across the River Thames. Along the way, he reveals how to make the impossible possible, what it takes to pull off the greatest stunts man has seen, and why everyone needs magic in their lives. This is no illusion. This is Dynamo revealed.

Forever and a Day (The Inn at Sunset Harbor—Book 5) Sophie Love 2017-06-20 "Sophie Love's ability to impart magic to her readers is exquisitely wrought in powerfully evocative phrases and descriptions....This is the perfect romance or beach read, with a difference: its enthusiasm and beautiful descriptions offer an unexpected attention to the complexity of not just evolving love, but evolving psyches. It's a delightful recommendation for romance readers looking for a touch more complexity from their romance reads." --Midwest Book Review (Diane Donovan re For Now and Forever) FOREVER AND A DAY is book #5 in the bestselling romance series The Inn at Sunset Harbor, which begins with book #1, For Now and Forever—a free download! 35 year old Emily Mitchell has fled her job, apartment and ex-boyfriend in New York City for her father's historic, abandoned home on the coast of Maine, needing a change in her life and determined to make it work as a B&B. She had never expected, though, that her relationship with its caretaker, Daniel, would turn her life on its head. In FOREVER AND A DAY, Emily is stunned to finally, after 20 years, meet her missing father—just a week before her wedding. Their reunion changes both of their lives, and unlocks the key to the house's many secrets, and to Emily's missing memories. Spring has finally arrived at Sunset Harbor, and with just a week to go until the big wedding date, the wedding preparations are busier than ever, including Daniel's surprise talk of a honeymoon. Will Emily and Daniel have their dream wedding? Or will someone appear to tear it apart? Meanwhile, Chantelle's custody battle comes to a pitch, and as Memorial Day looms, they must figure out what to do with Trevor's house. Yet amidst all of this, another issue weighs most heavily on Emily's mind: will she herself ever be pregnant? FOREVER AND A DAY is book #5 in a dazzling new romance series that will make you laugh, cry, keep you turning pages late into the night—and make you fall in love with romance all over again. Book #6 will be available soon. "A very well written novel, describing the struggle of a woman (Emily) to find her true identity. The author did an amazing job with the creation of the characters and her description of the environment. The romance is there, but not overdosed. Kudos to the author for this amazing start of a series that promises to be very entertaining." --Books and Movies Reviews, Roberto Mattos (re For Now and Forever)

*Left for Dead* Pete Nelson 2002-05-14 For fans of sea battles, adventures, and war stories like Unbroken, this is the incredible true story of a boy who helps to bring closure to the survivors of the tragic sinking of the USS Indianapolis, and helps exonerate the ship's captain fifty years later. Hunter Scott first learned about the sinking of the USS Indianapolis by watching the movie Jaws when he was just eleven-years-old. This was fifty years after the ship had sunk, throwing more than 1,000 men into shark-infested waters—a long fifty years in which justice still had not been served. It was just after midnight on July 30, 1945 when the USS Indianapolis was torpedoed by a Japanese submarine. Those who survived the fiery sinking—some injured, many without life jackets—struggled to stay afloat as they waited for rescue. But the United States Navy did not even know they were missing. As time went on, the Navy needed a scapegoat for this disaster. So it court-martialed the captain for "hazarding" his ship. The survivors of the Indianapolis knew that their captain was not to blame. For fifty years they worked to clear his name, even after his untimely death. But the navy would not budge—not until Hunter entered the picture. His history fair project on the Indianapolis soon became a crusade to restore the captain's good name and the honor of the men who served under him. Praise for *Left for Dead*: Christopher Award Winner An ALA-YALSA Best Nonfiction for Young Adults Book "Compelling, dreadful, and amazing."—VOYA "This exciting, life-affirming book about war heroics and justice . . . proves without question the impact one student can have on history."—Booklist "Well written and well documented . . . this excellent presentation fills a void in most World War II collections"—School Library Journal "Young readers . . . will no doubt be inspired by the youth's tenacity—and by the valor of those who served on the Indianapolis."—The Horn Book

**A Trace of Vice (a Keri Locke Mystery--Book #3)** Blake Pierce 2017-06-15 "A dynamic story line that grips from the first chapter and doesn't let go." --Midwest Book Review, Diane Donovan (regarding Once Gone) From #1 bestselling mystery author Blake Pierce comes a new masterpiece of psychological suspense. In A TRACE OF VICE (Book #3 in the Keri Locke mystery series), Keri Locke, Missing Persons Detective in the Homicide division of the LAPD, follows a fresh lead for her abducted daughter. It leads to a violent confrontation with The Collector—which, in turn, offers more clues that may, after all this time, reunite her with her daughter. Yet at the same time, Keri is assigned a new case, one with a frantic ticking clock. A teenage girl has gone missing in Los Angeles, a girl from a good family who was duped into drugs and abducted into a sex trafficking ring. Keri is hot on her trail—but the trail is moving fast, with the girl being constantly moved and with her abductors' single, nefarious goal: to cross her over the border with Mexico. In an epic, breathtaking, cat and mouse chase that takes them through the seedy underworld of trafficking, Keri and Ray will be pushed to their limits to save the girl—and her own daughter—before it is all too late. A dark psychological thriller with heart-pounding suspense, A TRACE OF VICE is book #3 in a riveting new series—and a beloved new character—that will leave you turning pages late into the night. "A masterpiece of thriller and mystery! The author did a magnificent job developing characters with a psychological

side that is so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page." --Books and Movie Reviews, Roberto Mattos (re *Once Gone*) Book #4 in the Keri Locke series is also now available!

**Law: A Very Short Introduction** Raymond Wacks 2008-03-27 Law underlies our society - it protects our rights, imposes duties on each of us, and establishes a framework for the conduct of almost every social, political, and economic activity. The punishment of crime, compensation of the injured, and the enforcement of contracts are merely some of the tasks of a modern legal system. It also strives to achieve justice, promote freedom, and protect our security. The result is a system that, while it touches all of our daily lives, is properly understood by only a few, with its impenetrable jargon, obsolete procedures, and interminable stream of Byzantine statutes and judgments of the courts. This clear, jargon-free Very Short Introduction aims to redress that balance, as it introduces the essentials of law and legal systems in a lively, accessible, and stimulating manner. Explaining the main concepts, terms, and processes of the legal system, it focuses on the Western tradition (the common law and the civil law), but also includes discussions of other legal systems, such as customary law and Islamic law. And it looks to the future too, as globalization and rapid advances in technology place increasing strain on our current legal system. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

**Fushi no Kami: Rebuilding Civilization Starts With a Village**

**Volume 4** Mizuumi Amakawa 2021-06-16 After spending two years studying in Itsutsu city to bring back the life of convenience and abundance from the legends of the ancient civilization, Ash graduates from the military academy. He is now assigned to the newly established Territory Reform Promotion Office, where he works hard to improve this world's living standards. When it is brought to Ash's attention that Ajole, the hometown of his co-worker Renge's childhood friend, is on the verge of extinction, he decides to embark on a rescue mission. The inspection task force led by Ash and Maika encounters barren fields and skinny villagers. It appears that they have no choice but to break the taboo and use animal manure as compost. To make matters worse, there is news of another threat to the village: the demons known as treants! Can Ash find a way to save the village? This is the fourth chapter of the story about a young boy who sets out to revolutionize the world in order to rebuild civilization and create his ideal life!

**The Daddy and The Dom** Julia Sykes 2019-09-01 MfM ménage romance from USA Today bestselling author Julia Sykes Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm? All Lucas wanted was for Nikki to take a chance on him...on their future together. And now, thanks to one well-meaning matchmaker, the single dad just might get his wish!

**Life-Changing Bible Verses You Should Know** Erwin W. Lutzer

2011-08-01 After Erwin Lutzer, senior pastor of the Moody Church, and his wife, Rebecca, realized that memorizing Scripture has nearly become a lost pursuit today, they decided to create this practical, relevant resource filled with powerful verses and insightful explanations to help stimulate a spiritual hunger in readers' own lives. With more than 35 topics and questions for reflection and further study, readers will discover how God's Word will: sustain them in times of need comfort them in seasons of sorrow strengthen their hearts in times and areas of weakness direct their steps and decisions toward God's will These handpicked verses provide a foundation of wisdom and hope to show readers who God is and what He has done for them, as well as who they are and how they can successfully live the Christian life.

**The Girl Who Doesn't Quit** Victoria Quinn 2021-06-15 The director of my clinic is retiring and the job is up for grabs. I'd be lying if I said I didn't want the job for myself, but I'd be happy if any of my colleagues got the promotion. But none of them get it. Neither do I. It's an outside hire. Atlas Beaumont. Super genius, but I think he's a super prick. Worst part of all? My father is the one who wrote his letter of recommendation, the one that impressed my boss so much that he hired him on the spot.

**Learning to Rank for Information Retrieval and Natural Language Processing, Second Edition** Hang Li 2022-05-31

Learning to rank refers to machine learning techniques for training a model in a ranking task. Learning to rank is useful for many applications in information retrieval, natural language processing, and data mining. Intensive studies have been conducted on its problems recently, and significant progress has been made. This lecture gives an introduction to the area including the fundamental problems, major approaches, theories, applications, and future work. The author begins by showing that various ranking problems in information retrieval and natural language processing can be formalized as two basic ranking tasks, namely ranking creation (or simply ranking) and ranking aggregation. In ranking creation, given a request, one wants to generate a ranking list of offerings based on the features derived from the request and the offerings. In ranking aggregation, given a request, as well as a number of ranking lists of offerings, one wants to generate a new ranking list of the offerings. Ranking creation (or ranking) is the major problem in learning to rank. It is usually formalized as a supervised learning task. The author gives detailed explanations on learning for ranking creation and ranking aggregation, including training and testing, evaluation, feature creation, and major approaches. Many methods have been proposed for ranking creation. The methods can be categorized as the pointwise, pairwise, and listwise approaches according to the loss functions they employ. They can also be categorized according to the techniques they employ, such as the SVM based, Boosting based, and Neural Network based approaches. The author also introduces some popular learning to rank methods in details. These include: PRank, OC SVM, McRank, Ranking SVM, IR SVM, GBRank, RankNet, ListNet & ListMLE, AdaRank, SVM MAP, SoftRank, LambdaRank, LambdaMART, Borda Count, Markov Chain, and CRanking. The author explains several example applications of learning to rank including web search, collaborative filtering, definition search, keyphrase extraction, query dependent summarization, and re-ranking in machine translation. A formulation of learning for ranking creation is given in the statistical learning framework. Ongoing and future research directions for learning to rank are also discussed. *A Moment Like You* Claudia Burgoa 2020-08-13 I hate my boss. He's the devil in disguise—but I just can't seem to stay away. When my employer Henry Aldridge is set to claim a large inheritance from his deceased father, he drags me along with him—because he needs his assistant. I have no choice but to move across the country with Satan's bastard and stay with him for over a year in order to pay for my mother's debts. Henry drags me to a small town where everyone knows your business and to a family that's more broken than close. The Aldridge brothers are handsome, arrogant, and sinful. They're also too much to handle. Henry's dad lost his mind before he died, and the apple doesn't fall far from the tree. I don't know how I'll survive for eighteen months with this man. Except you should never judge a book by its cover. And Henry Aldridge has more hiding beneath the surface than I ever thought possible... The
